

## **Notice to Medical Practitioners who have applied for renewal of registrations 2020**

Please be informed that the Sri Lanka Medical Council decided to remove the names of the medical practitioners who have submitted incomplete renewal applications.

If you have received a letter from the SLMC informing the incomplete status of your registration renewal application, please submit the required information/documents to the SLMC on or before 15 October 2022 to retain your registration. Failure to comply will result in rejecting your application without a refund and removal of your name from the registry. 0
