

SRI LANKA MEDICAL COUNCIL

VACANCY

SOFTWARE ENGINEER

Applications are invited from citizens of Sri Lanka who possess the required qualifications to fill the vacancy in the post of Software Engineer (contract) in the Sri Lanka Medical Council.

General Conditions

Applicants must:

- Be a citizen of Sri Lanka
- Be of excellent moral character
- Be physically and mentally fit to discharge the duties of the post

Nature of Appointment

This appointment will be on a contract basis for a period of one (01) year, which may be extended for a further period of one (01) year based on performance and service requirement.

Educational Qualifications

A Bachelor's Degree in Computer Science / Software Engineering / Information Technology or an equivalent qualification recognized by the University Grants Commission (UGC) of Sri Lanka.

Experience

Applicants should have:

- A minimum of Five (05) years experience in software engineering, development, and system implementation.
- Experience in web-based application development, database management, and system integration.
- Experience in cybersecurity practices and API development.
- Experience in healthcare system design and development, including digital platform integration, with strong exposure to payment gateway integration.

Duties and Responsibilities

The selected candidate will be required to:

- Design, develop, implement, and maintain software systems and digital platforms of the SLMC.
- Ensure database integrity, system security, and compliance with data protection requirements.
- Develop and maintain APIs and integrate external services such as payment gateways and SMS systems.
- Perform system testing, deployment, and maintenance.
- Provide technical support, user training, and documentation.
- Carry out any other duties assigned by the management of the SLMC.

Age: As per the Government Circulars.

Salary: The salary and other emoluments shall be as determined by the Medical Council.

Method of Recruitment: Selection will be made through a structured interview.

Application Process: The applicant should submit the full Curriculum Vitae along with certified copies of educational, professional, and service certificates by registered post as given below on or before 20 April 2026.

Important:

Incomplete or late applications will be rejected without notice. Only shortlisted candidates will be called for an interview.
