

SRI LANKA MEDICAL COUNCIL

INVITATION FOR EXPRESSION OF INTEREST TO BE A REVIEWER OF THE ACCREDITATION UNIT OF THE SLMC

Introduction

The Sri Lanka Medical Council (SLMC) established the Accreditation Unit (AU) in early 2021 for the purpose of accrediting all medical schools in Sri Lanka. The AU is updating its panel of reviewers and invites applications from academics and specialists having qualifications, eligibility criteria and experience listed below to be appointed as reviewers to support the accreditation process.

Required Qualifications

A minimum postgraduate qualification of MD/MS & Board Certification or PhD.

Eligibility Criteria

- I. Full-time academic staff attached to or retired within 10 years from a medical faculty at Associate Professor grade or above, in the specialties listed below.

OR

Medical specialists employed or retired within 10 years from the Ministry of Health with at least 10 years post Board Certification experience in the specialties listed below.

- II. At least 5 years' experience in teaching and assessments of medical students and/or postgraduate students as a specialist or senior academic.

Required Specialties

Anatomy, Radiology, Biochemistry, Physiology, Microbiology, Parasitology, Forensic Medicine, Family Medicine/General Practice, Pathology, Pharmacology, Community Medicine/Public Health, Medicine and related subspecialties, Surgery and related subspecialties, Obstetrics & Gynaecology and related subspecialties, Paediatrics and related subspecialties, Psychiatry, Anaesthesiology and Medical Education.

Obligations of the Reviewers

- a. Participation in the training programmes and other official meetings.
- b. Evaluation of "Self-Evaluation Report (SER)" of medical schools.
- c. Active participation in the "Review Visit" (Site visit) to the medical school with other members of the Review Team.
- d. Submission of the "Review Report" with other members of the Review Team to the AU.
- e. Maintaining a high degree of professionalism and integrity, including commitment to act as an effective member of the Review Team.

Remuneration and facilitation

- a. An attractive allowance will be provided.
- b. Transport for "Review visit" and Accommodation during "Review visit" when required will be provided.

Closing Date for Applications

18th May 2026.

Please post the application under registered cover, along with a brief curriculum vitae with details of past relevant experience in teaching, examinations, training in curricular development, programme review of UGC, etc. (details of research and publications not required) to the address below or email a soft copy of same to the email address below.
