

Notice to Foreign Medical Graduates undergoing clinical training in hospitals in Sri Lanka allocated by DGHS as per Supreme Court directive

These graduates are informed to submit following on the day of completion of such appointments:

1. A scanned copy of the appointment letter received from DGHS allocating to the hospital with the period of the appointment (dd/mm/yyyy to dd/mm/yyyy) and the total duration in months to da@slmc.gov.lk.

2. Scanned copies of certificates issued by the consultants (for each specialty separately with the period) to certify the completion of the recommended period by the Supreme Court.

SLMC will inform them to be present for the degree approval verification interview soon after the completion of the required period. The following documents have to be produced at the verification interview.

- * Clinical Training completion certificates (original and photocopy)
- * Original Passport

If Degree Approval is granted at the interview, they are expected to immediately submit completed application to the examination unit.

The graduates are requested not to send emails and letters to SLMC requesting clarifications on the subject.
